

DMEGC A LONG-TERM PARTNER OF FORTUNE GLOBAL 500

DMEGC is the long-term strategic partner of Fortune Global 500 Enterprises and been rated as "Excellent Supplier" by world-renowned enterprises such as Japan NIDEC, South Korean Samsung, and won Bosch "Global Best Supplier Award".

With 44 years of experience in industry-leading technology, R&D, manufacturing, quality management and excellent service, DMEGC Solar provides highly efficient, reliable, and aesthetically pleasing solar modules, and various application solutions to global customers. Through the continuous integration of sustainability goals in our value chain, DMEGC Solar has established itself as a responsible player in the industry.

Founded in 1980, DMEGC Solar is committed to be the world's leading renewable energy company, possessing six manufacturing bases (Hengdian, Sihong, Qixian, Yibin, Lianyungang, Southeast Asia). With industry-leading technology R&D, manufacturing technologies, quality management and service, DMEGC Solar provides high-efficiency and reliable PV products and all application solutions for global customers.

NO Forced Labour

- No forced labour found during our audits on our suppliers
- Compliant with major ISO environmental, health, quality systems
- Supplier Social Responsibility Audit Standard based on mainstream systems
- All auditors from DMEGC acquired training from SGS

DMEGC Supply Chain Features

- Leading manufacturers in the PV industry
- Origin traceable
- 100% ISO9001/14001/45001 certificated
- All passed DMEGC supply chain CSR due diligence audit

Infinity Series Modules with outstanding performance

- Outstanding aesthetics**
through special "Advanced Black Technology"
- Hail Resistance Class HW4**
for glass/foil modules and HW3 for glass/glass modules
- IEC TS 63209-1 Extended Stress Test**
DMEGC was the 1st at TÜV Rheinland for G2G N-type base
